Dear Mr. Cole,

Thank you for your letter of July 13, 1976, concerning the notice which was published in the "San Juan Record", July 8, 1976; relative to the above mine. It would appear from your letter that you were somewhat concerned about certain claims in the area owned by you and the Nuclear Corporation.

Please be advised that the Board of Oil, Gas, and Mining does not have jurisdiction or authority to determine the ownership of mining claims.

Unless you have specific objection to the reclamation plan proposed by Atlas Corporation, said plan will be approved after the thirty (30) day waiting period, provided for in the Mined Land Reclamation Act.

Very truly yours,

DIVISION OF OIL, GAS, AND MINING
